

5th Sunday of Lent

We prepare

"Don't be afraid of falling. In the art of walking, what is important is not avoiding the fall, but not remaining fallen. Get up quickly, continue on, and go...but it is also terrible to walk alone, terrible and boring. Walking in community with friends, with those who love us, this helps us...get to the end." ~ Pope Francis

Don't be afraid to walk through the desert...

...You are not alone in the journey

LENT offers us all a very special opportunity to grow in our relationship with God and to deepen our commitment to a way of life, rooted in our baptism. In our busy world, LENT provides us with an opportunity to reflect upon our patterns, to pray more deeply, experience sorrow for what we've done and failed to do, and to be generous to those in need.
