

# Our Lady of Mount Carmel Feast Day 16 July

*Our Lady of Mount Carmel* is the title given to the Blessed Virgin Mary in her role as patroness of the Carmelite Order. The first Carmelites were Christian hermits living on Mount Carmel in the Holy Land during the later 12<sup>th</sup> and mid-13<sup>th</sup> century. Since the 15<sup>th</sup> century, popular devotion to Our Lady of Mount Carmel has centred on the Scapular to an early Carmelite named Saint Simon Stock.

The Carmelite Order was the only religious order to be started in the Crusader states. In the 13<sup>th</sup> century, some of its people migrated west to England, setting up a chapter and being documented there about 1241-1242. Saint Simon Stock, believed to be an early prior general of the Carmelite Order, had a vision of the Blessed Virgin Mary in which She gave him the Brown Scapular. This formed part of the Carmelite habit after 1287. In Stock's vision, Mary promised that those who died wearing the scapular would be saved.

On **TUESDAY JULY 16**, we will celebrate the FEAST OF OUR LADY OF MOUNT CARMEL in place of the usual liturgy at the **10 a.m. Mass**. This is our most important Carmelite Feast of the year.
